**SOURCE**: Asset Poverty & Liquid Asset Poverty: 2015 Assets & Opportunity Scorecard, Census Bureau, Survey of Income and Program Participation (SIPP), for US and States (excluding AK, DC, SD, WY). Underbanked and Underbanked: 2013 FDIC National Survey of Unbanked and Underbanked Households, for US, States, DC and 69 largest MSAs. Local Estimates: Estimates at smaller geographies are derived from CFED’s statistical modeling process using the FDIC or SIPP and 2008-2012 or 2009-2013 American Community Survey data. The figures are geographic estimates and are not meant to directly reflect the FDIC or SIPP data.

Caution should be used in interpreting the local estimates as the statistical model is based on national surveys of fewer than 50,000 households.

See localdata.assetsandopportunity.org/methodology for more information.
